School District**

Superintendent Message

Dear SFISD Teachers and Staff:

October 8th, 2021

We hope you are enjoying a fun and productive day of professional development! Thank you to our principals, our instructional coaches, our counselors, our special services, and our C&I team for all your hard work in preparation for today. We appreciate all of you.

Don't forget - tonight is Homecoming! A big shout-out to Jared Faust, our high school volunteers, our police department, our city officials, and our community members for helping us have a successful Homecoming parade. We had an amazing turn-out. I think the whole community and their extended families were lined up on Highway 6 on Wednesday. I am going to have to bring more candy next year.

Also, next week is National School Lunch Week. Please be sure to thank Cheri Bowers and our Santa Fe ISD "YUM" Nutrition Department for all their hard work. These employees serve healthy and nutritious meals to our students and staff on a daily basis, and they do it with a smile! We love our nutrition services!!

The Astros were looking pretty good yesterday. Let's keep this train going 🚂
See you at Homecoming tonight,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
