

**Santa Fe Independent
School District**

Superintendent Message

Dear SFISD Teachers and Staff:

November 5th, 2021

Happy Staff Development Day everyone! We hope you are enjoying a fruitful day of productive PD. As always, a big thanks to C&I, CTE, our instructional coaches, our counselors, special services, athletics, and our nurses for your hard work in preparing for today.

The **Lady Indians are in Round 1** of the area playoffs tonight! Congratulations! They are playing at 5:00 p.m. at Hopson Fieldhouse in Missouri City. We've also got football and girls' basketball games tonight. The *Houston Texans Friday Night Football Program* will be at our football game tonight, so we hope to see you there!!

As much as it pains me to say it, I have to congratulate the Atlanta Braves on winning the World Series. I tip my hat to them. But our **Astros** will not go quietly! As they say in baseball – we'll see you next year.

Last but not least, a huge thank you to everyone who came out and voted this past week. Although the school bond did not pass, we are thankful for all the great things that are happening in Santa Fe ISD. We are very blessed. Thank you for all your help as we continue to provide our students and families with the best education possible. The future remains bright for Santa Fe ISD 😊

Y'all have a great weekend. We hope to see you tonight,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
