School District

*Superintendent Message*

Dear SFISD Teachers and Staff:

August 6<sup>th</sup>, 2021

Welcome back to the 2021-2022 school year in Santa Fe ISD! It's great to see everyone!! On behalf of our School Board and our administration, we want to offer another heartfelt THANK YOU to all our hardworking teachers and staff. We have been preparing for a safe return for all stakeholders, and we look forward to welcoming back our students next week!

We recognize that this school year will likely present new challenges and opportunities for everyone. We are continuing to monitor the new COVID variant as it pertains to our students, staff, and families here in SFISD. While we have been refining our COVID safety protocols, we have also been working diligently to support our staff in the efforts to provide the best education possible for all students. The well-being of our Santa Fe ISD students, staff, and families continues to remain our top priority.

Thank you for your ongoing commitment to the growth and improvement of our school district. Our students need you! Don't forget – You have great POWER to impact the lives of our students. Pursue them, encourage them, and welcome them back with a smile and a positive atmosphere. You never know which students will need you the most. *Use your powers for good.*

Godspeed to all of you and have a great school year,  
KB

“One hundred years from now,  
It won't matter  
What kind of car I drove  
What kind of house I lived in  
How much money I had in the bank  
Nor what my clothes looked like  
BUT  
The world will be a better place  
Because I was important  
In the life of a child.”
