School District

Superintendent Message

Dear SFISD Teachers and Staff:

September 17, 2021

Greetings everyone and Happy Friday! We are so thankful to have our students and staff back at school. It has definitely been an eventful week! Thank you to all our teachers, staff, and community members who reached out to offer help and support during Hurricane Nicholas. There are still some individuals and families without power, so please be patient with students and staff who continue to navigate these challenges.

Overall, we were very fortunate. A big THANK YOU to our Transportation Department and our Maintenance & Operations Department for working behind the scenes for us this week. We are truly blessed to work in SFISD. The resilience and support of the Santa Fe community continues to amaze.

As you may already know, students and staff will not be required to make-up the three missed school days from this week. These minutes were already built into our calendar for these types of events. Please be sure to thank our District Education Improvement Committee (DEIC) and our SFISD School Board for approving this calendar!

Thanks for all you do. Have a safe and blessed weekend,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
