School District**

Superintendent Message

Dear SFISD Community:

Nov. 20, 2020

“As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them”

John F. Kennedy

As we look forward to our upcoming week to celebrate Thanksgiving and our many blessings, in Santa Fe ISD, we are especially thankful for all of the hard work and dedicated efforts from each of you as we work together to achieve our mission of educating our students at high levels in circumstances unique from any other we've experienced. We recognize with our goals set high for our students and ourselves, we are required to give more, learn more and accomplish more for each other and for the many children we serve. Despite the many challenges we have experienced over the past several months, we remain grateful for the opportunity to serve in a profession that truly impacts the future for children and the outstanding students, staff, board of trustees, and families of this community!

We offer a very warm welcome and congratulations to our newly elected Santa Fe ISD School Board Trustees who began their four year terms serving our students, staff and community this week:

Matt Crable – Position 1
Angie Lambert – Position 7

We also want to express our deepest appreciation for our two outgoing trustees – John Snider and Wayne Logan. With four and five years of board service respectively, their contributions and impact to the students, staff and community of SFISD have been significant in the progress of the district. We thank them for their dedication, commitment and service to education and our district!

Please enjoy a safe, healthy and well-deserved break and a very happy Thanksgiving! Thank you for being a part of our SFISD family and working together to prepare our students to achieve and succeed!!

“Good actions give strength to ourselves and inspire good actions in others”

Plato

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
