

Santa Fe ISD Transportation Department
Welcome back to another exciting School year.

In preparation for the 2018-2019 school year, it is not necessary for your student to register if he/she is currently registered to ride a bus, please **DO NOT REGISTER THEM AGAIN.**

However, if there will be changes to your students pick up or drop off address or you are new to the district please go to the Santa Fe ISD website <http://www.sfid.org>, click on Departments> Transportation> Bus Rider Registration Form and make those changes.

For the 2018-2019 school year, Pre-K students will attend in the AM or PM for half day classes. If you reside on the south side of Hwy 6, you will be in the AM Zone. If you reside on the north side of Hwy 6, you will be in the PM Zone. The students pick up and drop off location must be in the same Zone. The AM/PM zones will also be in effect for half-day PPCD students. All Pre-K, Kindergartners, and 1st graders will require either a sibling in the 2nd grade or older, a parent, or a guardian to receive the students from the bus when they are dropped off after school. The person receiving the students must be at the bus stop and must show a proper ID upon request. Please visit the Santa Fe ISD school website to access "Transfinder I" for all bus route numbers and pick up times. If your address does not show up, please call the Transportation Department for assistance at 409-925-2775. While on "Transfinder I", please also register for Email Notifications. "Transfinder I" is being updated as information is received and will be unavailable during those times. Please check back periodically for current information. Enjoy the rest of your summer; we look forward to seeing you in the fall.

Director: Mark McKinney

Address: 3701 Peck
