

Dear Season Ticket Holder,

With the current regulations and guidelines set forth by the TEA and UIL, the Santa Fe Athletic Department must temporarily suspend selling of season seats for our upcoming 2020 Varsity Football Season. Please know that you will have your same seats when we can return to 100% capacity again.

After much consideration and keeping our students that are participating in the game in mind we will be offering their families the first opportunity to purchase tickets each week. The football, cheerleaders, drill team and band members' families will be given the first opportunity to purchase their tickets prior to the ticket sales opening up to the general public weekly. Each family member will receive a passcode and will be able to purchase up to 4 ticket during this time. Additional tickets may be purchased when the sale opens to the general public.

To purchase your tickets please go on the District website www.sfid.org. Select Department – Athletics - the link will be on our home page.

Please note below the dates that we have a home game and when the tickets will go on sale. All tickets sold will be for general admission seating.

Tickets may be purchased at the gate (if the event is not sold out prior the game starting), with a cell phone (using the internet) and a credit card.
