

SFISD Daily Health Screening

Is your student experiencing any of the following symptoms?

- Feeling feverish of 100.0 degrees or higher
- Loss of taste or smell
- Difficulty breathing
- Fatigue
- Chills
- Shaking or exaggerated shivering
- Diarrhea
- Sore throat

- Cough
- Shortness of breath
- Headache
- Congestion or runny nose
- Significant muscle pain or ache
- Nausea or vomiting
- Known close contact with a person who is lab confirmed with COVID-19

If so, please **STAY** home!

Report any Symptoms in Skyward Family Access

Login to your Family Access account to screen for symptoms each morning. If your student has any of the symptoms listed above, use the form in Family Access to report the symptoms and please keep your student home. A nurse will follow up with you within 24 hours if you report one or more symptoms and will determine the number of days that your child must stay home. Please **DO NOT** complete the form in Family Access unless your child has symptoms.

REMEMBER...

Good hygiene is in your hands

Practice social distancing

Face coverings are required

Water bottles are recommended

STAYING APART IS THE BEST WAY TO STAY CONNECTED
