

COVID Protocol Updates

As of January 3rd, 2022

Face Masks and Social Distancing-

- Face masks are **optional** for staff and students per Governor Abbott's Executive Order GA-36.
- Face masks are **recommended** by CDC and encouraged, especially for those with a compromised immune system or if not fully vaccinated.
- Face masks will be provided to individuals with possible communicable illness awaiting parent pick-up.
- The CDC recommends schools maintain 3 feet of physical distance between students and 6 feet of physical distance for adults from others.
- Social distancing will be encouraged and enforced as much as is practicable.

Health Screenings and Testing-

- Students, staff, and visitors are to self-screen for illness or COVID-19 symptoms at home, prior to coming on campus.
- Stay at home if ill, diagnosed with COVID-19, or have symptoms of COVID-19 (even if fully vaccinated).
- Contact the campus nurse for guidance of campus re-entry.
- Local COVID-19 testing and vaccination sites will be listed on the Health Services page of SFISD's website.
- Rapid COVID testing is available in the clinic of each campus for staff and students.
 - Parental consent is required for all minors.

Contact Tracing-

- Parents will be notified if their student(s) was in close contact with a COVID-19 positive individual and will have the option to quarantine their student if their student is not exhibiting symptoms of COVID.
 - If parents of a student that has been in close contact with a COVID positive case choose to send their student back to school, we **strongly recommend** that your child wear a face mask for 14 days following exposure.
- Students that are in close contact that **are exhibiting symptoms of COVID-19** will still be required to adhere to COVID-19 quarantine protocol and must meet re-entry criteria – receive an alternate diagnosis, a negative COVID-19 test, or **quarantine for 5 days from symptom onset**.
- If an employee or student was in proximity of an infected individual but properly wore a mask, is within a 90-day immunity period from being previously COVID positive, or is completely vaccinated, quarantining is not required unless symptomatic. However, the individuals are subject to intense monitoring by the campus nurse.

Quarantine-

- Parents will be notified if their student has been in close contact with a positive case and will have the **option to quarantine** their student.
 - If parents of a student that has been in close contact with a COVID positive case choose to send their student back to school, we **strongly recommend** that your child wear a face mask for 10 days following exposure.
- Students and staff with multiple symptoms of COVID-19 will be encouraged to **quarantine for 5 days** from symptom onset or follow up with a physician.

- Students with multiple symptoms will be sent home to be monitored by their parent/guardian for 24 hours. If symptoms do not worsen or additional symptoms present, the student may return to campus.
 - Teachers will be closely monitoring students for COVID symptoms and will refer them to the clinic for further assessment.
 - If student's symptoms worsen after their return to campus, the student will be sent home again and may be placed on quarantine, if needed.
- Upon their return to campus, a rapid COVID test may be offered and administered on-site with parental consent and permission form completed.
- Individuals that are quarantined are not allowed on district property before, during, or after school hours within their quarantine period. This includes but is not limited to campuses/buildings, transportation, Ag Barn, field houses, training rooms, practice/playing fields, etc.

Re-entry Criteria for COVID-19 Positive Cases-

- Campus nurse or nurse aide will provide timeline.
- Quarantined due to **symptoms**, regardless of vaccination status:
 - A minimum of 5 days (return on day 6) from start of symptom onset, **OR**
 - After physician confirmation of alternate diagnosis, **OR**
 - After confirmed negative COVID-19 test.

Essential Employee Quarantine-

- All Santa Fe ISD employees will identify as essential employees.
 - Quarantine period or criteria may be subject to change dependent on current trends in virus spread.
- Quarantine **exception** criteria for essential employees not fully vaccinated:
 - Currently exhibiting symptoms of COVID-19.
- SANTA FE ISD ESSENTIAL EMPLOYEES WILL abide by the following concerning quarantine:
 - Essential employees not meeting the criteria listed above MAY remain in work environment, but MUST abide by the following **Restrictions in the Workplace**:
 - **Restrictions in the Workplace for Essential Employees-**
 - If an essential employee is not sent home based on the criteria above, she/he must abide by the following restrictions to remain in the work environment. Until the 14th day from date of potential exposure, essential employees must:
 - Self-monitor for symptoms and stay home if symptoms are evident.
 - If symptoms arise, make a report to your supervisor and campus/district nurse, and stay home.
 - Wearing a mask for the 14 days is highly recommended.
 - Keep 6-foot distance from others and limit paths of movement throughout the school or workplace.
 - Eat lunch independently.

COVID Vaccinations and Quarantine-

- Vaccinated students and staff who have received their final COVID-19 vaccination and two-weeks have passed since their final dose do not have to quarantine (documentation must be provided) if they are not exhibiting COVID-19 symptoms.
- Local COVID-19 testing and vaccination sites will be listed on the Health Services page of SFISD's website.
- Rapid tests are available on each campus for staff and students that develop symptoms throughout the school day.
 - Staff and students arriving to school with symptoms to test will be sent home without having a test performed.
 - Tests will only be performed at the nurse's availability. Clinic duties are the nurse's priority!
 - Students will not be tested without a parental consent form completed and returned to campus nurse.

Visitors/Meal Deliveries-

- SFISD facilities are closed to visitors not essential to school operations.
- In situations where a visitor must be physically present, as determined by the building principal or central office department head, the visitor shall schedule an appointment.
- All visitors to any building, facility, or campus will self-screen at home, prior to entering a SFISD facility.
- Meal drop-offs or deliveries will be allowed.

Field Trips-

- Scheduling of field trips, school events, and extracurricular activities will be done with current virus trends taken into consideration. These events may be postponed or cancelled accordingly.
- Field trips will be scheduled with preventative safeguards in place. Parents and students will be informed of these safeguards and provided the option of participation. All extra events will be made **optional**.

*****Virus trends and guidance will be continuously monitored, and district protocols will be updated accordingly.**
