

FINDING YOUR STUDENT LOGIN

Where can I find my student's email login information?

- To locate your student's email address, please log in to your Parent Family Access Skyward account at <https://www.sfisd.org/site/Default.aspx?PageID=446>
- Go to student profile and the student's email will be listed. If there is no email, please reach out to the technology help desk.
- **NOTE FOR AFTER YOU HAVE LOGGED IN:** If you are using a shared device, please ensure that all users are logged out of Microsoft 365 – the student using the device must be the only one logged into Microsoft 365 – this is directly connected to how they will sign into Canvas

What will the login look like and what is the password?

- If you are working on a District Laptop, you will have to login on your laptop first:

Example: Student Name Axel Smith

Username:

SMITAXE000@k12.sfisd.org

Password: 8-digit DOB (mmddyyyy)
