

Logging into SFISD Student Laptops

Log-In Screen

Enter the students SFISD Network USER ID and password. Some users may have a different log-in based on duplicate names. If you need help finding out your students email, [click here](#).

USER ID: LLLLLFF000@k12.sfisd.org

L=1st 5 digits of students last name

F=1st 3 digits of students first name

PASSWORD: MMDDYYYY (Students Birthday)

Example - Smithmar000@k12.sfisd.org, 05052005

If you get an error, please check the network connection located at the right bottom of the screen.

If there is nothing appearing in the list, [click here](#) for possible issues.

If there is only one appearing in the list, contact [SFISD Technology](#) as the laptop may need to be returned for updates.

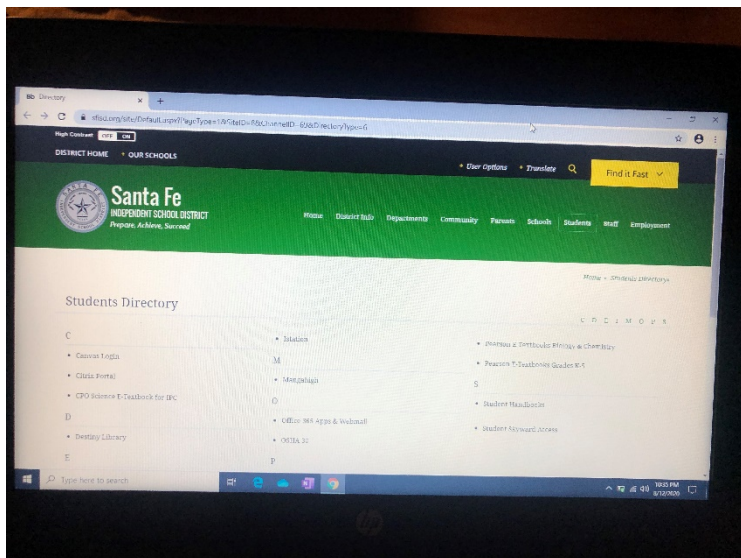

Logging into SFISD Applications

On the home screen, double-click on **Google Chrome**. This will take you to the Students Directory.

If students are on a personal laptop, you can get to the student directory by opening up Google Chrome and going to:

www.sfisd.org -> Students tab -> Office Apps & Webmail.

PLEASE NOTE: This step should only have to be completed once if the same student uses the same laptop everyday.

Click on **Office 365 Apps & Webmail** first BEFORE Canvas Log-in to ensure students are connected with their SFISD Student ID and password.

****User ID and Password same as above****

If you have issues logging into Office 365 Apps & Webmail, please contact [SFISD Technology](#)

Canvas Log-in

EXIT out of Office 365 Apps & Webmail and go back to the [Student Directory](#).

Click on [Canvas Login](#) to access students courses.

****User ID and Password same as above****

After following the steps above, if you continue to have issues logging into canvas, please send an email to Heather Brown, Instructional Technology at heather.brown@sfisd.org

If there are no courses listed for the student, please send an email to Heather Brown, Instructional Technology at heather.brown@sfisd.org.

Classroom Teacher Webpages

Students can also go to the Teachers Classroom Page to access their class information and links.

To find a Teacher's page, go to the SFISD District page -> Our Schools -> click on the student's school webpage -> click on the Classroom Teachers or Staff tab at the top.

Parents Page

Please visit the [SFISD Parents Page](#) to get the latest information including Virtual Learning Resources, Technology Resources and "How To" videos that will help Parents and Students during this virtual transition and new way of learning.
