

Santa Fe Independent School District Proclamation National Principal's Month

Whereas, school leaders and principals are entrusted with our most valuable resource—our next generation of leaders;

Whereas, these students are our promise for the future, and it is critical that they receive a rigorous and well-rounded education;

Whereas, principals are more than just caretakers of their schools;

Whereas, principals are expected to be educational leaders, disciplinarians, community builders, spokesmen, budget analysts and guardians of policy mandates and initiatives;

Whereas, principals set the academic tone for their schools and work collaboratively with teachers to set performance objectives and maintain high curriculum standards;

Whereas, each year organizations nationwide designate the month of October as a time to recognize the contributions of elementary, middle and high school principals;

Now Therefore Be It Resolved, that Santa Fe ISD Board of Trustees proclaims October as Santa Fe ISD National Principal's Month; and

Be It Further Resolved, We, the Board of Trustees of the Santa Fe Independent School District, encourage schools, students, parents, recreation programs, religious institutions, and community organizations to extend a special thank you to our principals for their leadership, hard work and dedication to our district.

Passed and Approved this 19th day of September, 2016.
