What is a Campus Compact?

A Campus Compact is an agreement that parents, students, and staff members develop together. It explains how parents, students, and teachers can work together to ensure all of our students achieve and succeed.

The compact is developed annually by parents, teachers, counselors, and administrators.

Focus Area #1 Increase Literacy Skills

As a school, we will...

- Use high quality instruction to help students think about the text, within the text, and beyond the text when reading.

As parents, we will...

- Engage in conversations with my child about what they are reading.
- Use comprehension question stems to extend my child's thinking.
- Read with my child daily.

As a student, I will...

- Grow as a reader and a writer at school.
- Read at least 20 minutes each night and write or talk about my reading with my family.

Focus Area #3 Improve Family- School Communication

As a school, we will...

- Use multiple means of communication and events to keep parents aware of school decisions and changes in curriculum.
- Teachers will update websites, reply to emails promptly, and send weekly newsletters home that list important dates and current learning in the classroom.
