

Santa Fe Independent School District

Proclamation

National School Psychology Awareness Week

**Whereas**, All children and youth learn best when they are healthy, supported, and receive an education that enables them to thrive academically, socially, and emotionally; and

**Whereas**, Schools can more effectively ensure that all students are able to learn when they meet the needs of the whole child and provide integrated, multi-tiered supports; and

**Whereas**, Children’s mental health is directly linked to their learning and development, and the learning environment provides an optimal context to promote good mental health through connectedness within the school and community; and

**Whereas**, Sound psychological principles are integral to instruction and learning, social and emotional development, prevention, early intervention and school safety, and supporting culturally diverse student populations; and

**Whereas**, School psychology has over 60 years of well established, widely recognized and highly effective practice and standards that are clearly articulated in NASP’s *Model for Comprehensive and Integrated School Psychology Services*; and

**Whereas**, School psychologists are specially trained to foster and deliver, in the school and community, a continuum of mental health services and academic supports that lower barriers to teaching and learning; and

**Whereas**, School psychologists help children to thrive by nurturing their individual strengths across both personal and academic endeavors; and

**Whereas**, School psychologists are trained to assess student and school-based barriers to learning as well as individual strengths, utilize data-based decision-making, implement research-driven prevention and intervention strategies, and evaluate outcomes and improve accountability; and

**Whereas**, Citizens of Santa Fe should recognize the vital role that school psychologists play in the personal and academic development of our children,

**Therefore**, Santa Fe ISD does hereby proclaim November 8-12, 2021, as School Psychology Awareness Week in Santa Fe ISD.

**Passed and approved this 18<sup>th</sup> day of October 2021.**
