

# WELCOME TO SANTA FE ISD

Dear Pre K Parents and Guardians,

We are very excited to welcome you and your student to Santa Fe ISD.

At SFISD, we strive to provide your child with the utmost educational excellence that is based on current knowledge of theory and scientific research about how children develop and learn. We uphold our students' needs as our highest priority.

In order to provide your student with the best educational experience possible, we will be making class assignment adjustments. Due to the high volume of students registered for our full day Pre K program, we are continuing to monitor class size in order to provide our students with the state recommended class ratio, and to accommodate your child's specific learning needs. Within the next few weeks, you may be contacted to inform you of possible changes to your student's potential new teacher or campus assignment.

We look forward to joining you and your child on their educational journey and paving the way for their educational future. If you have any questions or concerns, please contact your campus.

## IMPORTANT

\*\*Please report to the campus that your child is currently assigned on the first day of school. They will remain at this campus until you are personally notified of their class changes.
