

Parent Teacher Student Compact for Santa Fe Junior High School

As a member of the SFJH learning community, I recognize the importance of working together to reach our common goal of educational success for every student. I pledge to work toward this goal and I commit to the following in my respective role:

Parent	Student	Teacher
I will facilitate an excellent attendance record for my child.	I will be on time and ready to actively participate in class every day.	I will be on time and ready to make learning interesting and fun for my students.
I will encourage tutorial attendance with individual teachers, as needed, for my child to be successful.	I will attend tutorials, as needed, so that I can be academically successful.	I will actively seek students in need of tutorials and make parent contact to help assure that students attend the needed tutorials.
I will ask my child about his/her conduct weekly to encourage academic success and good citizenship.	I will strive to represent Santa Fe Junior High to the best my ability in academics and citizenship – Be Legendary!	I will encourage Indian Pride through my actions and model what good study habits and good citizenship look like.
I will monitor my child's grades every 3 weeks by viewing his/her progress report or report card.	I will set academic and citizenship goals and monitor my progress each 3 week period.	I will assist my students in SMART goal setting, monitor their progress, and guide them in revising their goals, as needed.
I will communicate with faculty and staff in productive and respectful manner, sharing concerns and successes I have regarding my experience with Santa Fe Junior High.	Each day, I will remember to compliment and/or thank my parent(s), a teacher, or a friend who has helped guide me toward academic success and/or good citizenship.	I will be respectful, attentive, and solutions-oriented in responding to the concerns of my students, parents, and supervisors.
