School District

Superintendent Message

Dear SFISD Community:

Dec. 21, 2018

"The joy of brightening other lives, bearing each others' burdens, easing others' loads and supplanting empty hearts and lives with generous gifts becomes for us the magic of the holidays."

W.C. Jones

As the school semester ends and the year 2018 comes to a close, this is a great time to pause and reflect on our commitment as educators and our important influence on the future of our children. Thank you for making a difference in SFISD as we all work together to ensure our students are well-prepared to achieve and succeed, and equipped to follow their dreams! I am reminded daily of how truly blessed and fortunate we are to work with such an outstanding and caring staff dedicated to providing our students a quality and well-rounded education for the students of SFISD!

Mark your calendar for when we return and plan to attend the SFISD employee Health and Wellness Fair on Jan. 7, 2019. If you pre-register, a Chick-fil-a lunch will be included! Sponsors will be offering breakfast to the schools with the most participation. This year's fair will include several health screening options, Flu shots, Blood drive, vendor booths, door prizes and goodie bags for all employees who participate. Mrs. Jones will also be collecting new or gently used coats for our students and families.

As we find ourselves already through the first half of the 2018-2019 school year, thank you to all for your passion in educating our children! When we make education a priority, our children district and community all win! We so appreciate all of you who work so tirelessly every day to inspire excitement about learning and provide every opportunity for our students to achieve and succeed! We wish you a joyous holiday filled with peace, love and happiness, and an abundance of blessings for 2019!

"This is my wish for you: peace of mind, prosperity through the year, happiness that multiplies, health for you and yours, fun around every corner, energy to chase your dreams, joy to fill your holidays!" - D.M. Dellinger

To prepare students for success, SFISD will achieve and maintain exemplary results by utilizing innovative strategies with the highest standards to educate ALL students in a collaborative learning community.
