School District**

Superintendent Message

Dear SFISD Community:

March 8, 2019

*“What lies behind you and what lies in front of you, pales in comparison to what lies inside of you.”
Ralph Waldo Emerson*

National School Breakfast Week is designated in SFISD as March 4-8, 2019. The theme for this year is “Level up to a Healthy Breakfast.” The School Breakfast Program is dedicated to the health and well-being of our children. This week is set aside to encourage all parents to become aware and concerned about their children and their own nutritional habits in hopes of achieving a more healthful citizenry for today and the future. Thank you to our Nutrition Services Department for providing a healthy breakfast daily for our students and staff.

National Social Workers Month is also celebrated in March with this year’s theme of ‘We Love our Social Workers.’ Thank you to our SFISD social worker, Ms. Lois Jones, who works with families to ensure students reach their full academic and personal potential. Ms. Jones has truly been a champion for students, staff and the community of Santa Fe in assisting with district support and recovery efforts for students, staff and families. We appreciate her service to our students and the community in supporting and empowering our students and families!

The month of March is also designated as Theater in Schools Awareness Month to raise public awareness of the impact of theater education programs for all students. We are very proud of our Theater programs and the many opportunities for student participation in theater and fine arts programs across the district!

Thank you to all staff as we work towards our goals in preparing our students to achieve and succeed in all areas! We very much appreciate the dedication and commitment to providing a quality education for our students and the hard work required to accomplish our goals!

Please enjoy a safe and restful Spring Break - We’ll look forward to returning refreshed and ready to complete a successful school year!

Don’t forget to Spring Forward to Daylight Saving Time this weekend!

Our mission is to Prepare ALL members of the Santa Fe Independent School District learning community to Achieve and Succeed through innovative strategies and collaborative relationships.
