Texas City/La Marque Safety and Health Fair—Took place on Oct 26, 2013

Santa Fe ISD was a part of this again this year. Ms. Bowers and the Food and Child Nutrition Dept. had a display. Ms. Hancock, one of our nurses made several contacts for our own Health Fair that will be in April.

DISTRICT HEALTH FAIR-Will take place in April in conjunction with the Spring Carnival at RJW. Date pending.

BREAKFAST CAMPAIGN: Ms. Bowers and the nurses in the district continue address the issue of students not eating breakfast. A major concern is those students in Jr. High and High school grade levels.
