Pick up & drop off street address (only a single address may be used)

The Santa Fe ISD Transportation Policy requires that ALL students in Pre-K through 1st grade be met at their bus stop each afternoon. Only the listed adults will be authorized to receive your student. Any individual picking up a student at the bus stop must have a Government issued picture ID with them and present to bus driver if requested before student will be released. I also understand that if no one is present at the bus stop at the scheduled time, the student will be returned to the Transportation Department (3701 Peck Street). It is then the responsibility of the parent/guardian to pick the student up from the Transportation Department. I also understand, if an authorized adult continues to fail to be at the bus stop to meet my child, after the 3rd occurrence bus riding privileges will be reviewed and may be discontinued.

Any 2nd grader or above who is authorized to escort the above student must be listed below.

(No ID is required if the student rides the same bus).

If any changes to this authorization (To add OR delete) occurs, a new form must be completed and provided to the Transportation office.
