

What is a Campus Compact?

A Campus Compact is an agreement that parents, teachers, counselors, administrators, and students develop together to ensure success, and achievement for all students.

The compact is developed annually by parents, teachers, counselors, and administrators, and students.

PREPARE, ACHIEVE, AND SUCCEED!

Students, Teachers, Parents –
Working Together for Success!

Communication about Student Learning

Santa Fe Junior High is committed to providing regular two-way communication with families about student learning!

How???

- District Website
- Teacher Websites
- E-mail
- Call-outs
- Newsletters
- Remind 101
- Parent Conferences
- Phone Calls
- Team Meetings

Focus Area #1 Increase Academic Achievement

As a Junior High Campus we will provide teachers with professional learning opportunities, content vertical alignment and time to analyze student data to help with the structure of academic instruction.

As teachers we will provide information to parents and students about the importance of academic success in all core subjects. We will offer information for our junior high students regarding state assessment requirements and the AVID program. We will also provide opportunities for connecting academics beyond the classroom by hosting STEM nights, math and literacy nights, college prep night, and other academic led nights as well as providing student led conferences.

As parents we will encourage our students to practice skills in all core subjects at home and encourage our students to participate in all academic classes. We will attend open house, student led conferences, STEM nights, as well as math and reading night.

Focus Area #2

Increase Student and Parent Involvement

As a campus we will provide multiple opportunities to involve parents as partners at the campus levels. We will also identify barriers and work toward making parents our partners in education!

As teachers we will commit to multiple means of communication such as Remind 101, social media, parent conferences, phone calls, websites, and Skyward to communicate all information of events or academics that are being covered in classes.

As parents we will commit to being involved in our students' education by attending student led conferences, nights dedicated to academics as well as extra-curricular activities, such as dances, field trips or any events that occur at the campus.

Building Partnerships

Santa Fe Junior High offers ongoing events and programs to provide parents and students with access to our staff.

- Open House
- Student Led Conferences
- STEM Nights
- Math and Literacy Nights
- ESL Night
- Elective Fair (Spring 2017)

There are also many opportunities to assist in decision making!

- ❖ Campus improvement Committee
- ❖ Communities in Action
- ❖ Parent Involvement Committee

Contact campus counselors and administrators for more opportunities!
