## December 2014

Our students have been busy learning new concepts, strategies, and skills to be successful. Our kids have participated in Red Ribbon Week, Veteran's Day, College Day, Fill the Fire Truck, Thanksgiving Activities, JH play, TRIBE, antibullying lessons, POPS party, choir, guitar, jump rope club, and much more. Students have continued to show respectful and positive behaviors earning TRIBE tokens for their class. Throughout the nine weeks, we recognize the top 3 classes with the largest amount of tokens. Students select a prize they want for their class such as games, electronics, extra recess, no shoes, dodge ball, PJs and other fun activities voted on by the students.

### IMPORTANT INFORMATION:

**FAMILY ACCESS:** Please continue to monitor your student's grades through Skyward Family Access. If you have questions or concerns, please contact your child's teacher through email or schedule a conference.

**ATTENDANCE:** It is important that your child is here and on time each and every day. Please remember to send a note with your child if he/she is absent from school.

**THINK THROUGH MATH:** Think Through Math is an online intervention program for all students. Students will be tested through the program and then can access online math activities on their individual level. If you would like for your child to have home access for additional math practice, please contact your child's teacher for their user name and password.
