December 2015

Lead
Tomorrow!!

As we close out the 2015 year, we are proud of all that your children have accomplished this first half of the school year. Our students have worked hard this semester to learn new concepts, strategies, and skills to be successful. Students have participated in Red Ribbon Week, Veteran's Day, College Day, Holiday activities, Junior High theatre play, TRIBE activities, attendance incentives, choir, and much more in their classrooms every day! They have continued to show appropriate behaviors to earn TRIBE tokens for their class. We recognize the top 3 classes every 3 weeks with the largest amount of tokens. Positive incentives build motivation to do their best every day! **Please see the back for this month's "Instruction Insider!"** © Destini Martin, Principal
Our TRIBE word for the month is **RESPECTFUL**.
